Re: No Interest/Stop

I DO NOT WANT TO PROCEED.

Dear Ma'am.

Me Mr. Eric X. Martinez case #: 14 cv. 6222 of my Writ of Habeas Corpus #2254 motion, I do not want to proceed because the lawyer name Mr. Donald M. Thompson, LLP, told me in his letter that he can't help me proceed with my motion because, here this is what he said.

"Unfortunately we are unable to assist with the Federal Habeas Corpus proceeding. There are no Federal claims stated, or able to be stated, upon which relief could be granted."

Therefore, I can't represent my self, plus you keep ignoring my motion for almost 21 months, and that's as punishment to keep me in prison for something I didn't do, so you are also an attorney so you know this very well and clear.

I thank you for the punishment of making me waiting by sitting in this place.

Therefore I do not want to proceed, I will submitted more later in the future comes. Also can you please sent me all my documents back to me or at least copies of all. please Ms. Wolford.

Thank you Ms. Wolford.  
Truly yours, Eric Martinez  
God Bless.
